

BUSINESS IMPROVEMENT DISTRICT

Exclusive Car Parking Offers for BID Members

A **NEW** NCP ParkPass card is now in place to make it even easier for you to take advantage of this BID Business benefit. The card itself is **FREE** and will be posted out to you directly once you've registered.

The new card will allow you to park at any NCP car park within Swansea City Centre for just **£4.50** per day.

There are a few changes to how the card will work compared to the previous Saver Ticket. With the ParkPass you cannot pay in cash for your parking, instead, the card has a Pay as You Go or a Pay Monthly scheme linked to a debit card. When registering your card, be sure to add the **Saver ID**, contact the BID team today to get the saver code. **You will not be able to receive your BID discount without this ID.**

So please visit <https://www.ncp.co.uk/parking-solutions/ncpparkpass/> as soon as possible to register for the new NCP BID Saver Card to ensure you continue receiving the reduced daily car parking costs we secured with NCP for you as a BID Business/City Centre worker.

NCP states that once ordered the cards take roughly **6 days** to reach you.

City and County of Swansea
Dinas a Sir Abertawe

Also, the council have started providing an offer for BID area businesses/workers.

These offers are currently available at High St MSCP & St David's MSCP. There is a slight price difference because of location.

To park at High St MSCP it is £350 + VAT for an annual pass.

To park at St David's MSCP it is £375 + VAT for an annual pass.

The council ask that only one representative per business contacts Swansea BID to purchase the passes.

To access this offer please contact the BID office.
