COMMERCIAL WASTE PRICES FROM 01/09/21 to 31/03/22

Our Commercial Waste collection services offer you flexibility at a competitive price. We are working with the Swansea BID Team to encourage a more efficient and environmentally sustainable commercial waste collection service for the City. We can provide different size containers to cater for your needs which are lockable and secure. Our recycling services are in line with Welsh Governments expectations on how they wish to see commercial waste collected. We pride ourselves on service and our ability to support our customers. Please call us to discuss the various options available to you. If you have more than 1 collection per week or more than 1 bin, you may be entitled to a further 4% reduction in these prices.
